

Guidelines for the Member News & Announcements

This section of TravelSalem.com is open for Travel Salem Members to post announcements, awards, accomplishments, recognitions, and other good news!

In most cases, your press releases will be copied and pasted directly into this section, so please submit complete and accurate information. However, Travel Salem will edit your submission at our discretion.

Also, your submission may be placed in another publication if it is a better "fit". For example, if your submission is event oriented, it will be placed in the Event Calendar, rather than this news section.

Information submitted to this section will be posted for 60 days.

Please send submissions for the Member News & Announcements section to Anthony Tham, public relations manager at atham@TravelSalem.com.
