### NEW OREGON WINE COUNTRY LICENSE PLATE TO BOLSTER TOURISM

**WHAT:** SB 442 was signed into law today by Governor John Kitzhaber establishing the Wine Country specialty license plate, the first initiative of its kind in the nation.

Plates will be available for a \$30 surcharge due at issuance and every two-year renewal. Wine Country plate proceeds will be directed to the Oregon Tourism Commission to support the promotion of Oregon as a travel & tourism destination, and will be distributed as follows:

- 50% to matching grants for wine & culinary tourism promotion
- 50% to regional tourism agencies throughout Oregon, based on an acreage formula of grapes in production

The bill was conceived and initiated by Travel Salem and co-sponsored by Senator Jackie Winters and Representative Kevin Cameron. The Oregon Winegrowers Association provided critical guidance and advocacy on behalf of the bill.

**WHY:** This “jobs bill” was developed as an innovative marketing strategy to focus attention on Oregon’s culinary scene, drive new tourism revenues to support economic growth across the state, and to galvanize the tourism & wine industries. The Wine Country plate celebrates Oregon’s rich agricultural resources and world-class culinary heritage, and serves as a moving “billboard” promoting Oregon’s status as an agri-tourism hotspot. The plate provides Oregonians with the opportunity to show their support for the tourism industry and contribute toward a healthy and vibrant tourism economy.
